Forecast For Grampian
Issued by Met Office Aberdeen
at 0400 on Friday 16 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and bright on Friday.

Today:
Any early morning mist or fog patches near the east coast soon disperse to leave a dry day with good sunny spells. Becoming warm inland after a chilly start, but cooler around North Sea coasts due to the onshore winds. Maximum temperature 15 deg C (59 deg F).

Tonight:
Some good spells of evening sunshine, but cloud increases from the west overnight. Dry with light winds, but less cold than previous nights. Minimum temperature -2 deg C (28 deg F).

Saturday:
A dry day. Rather cloudy, but some bright or sunny spells are likely to develop in the afternoon. Maximum temperature 16 deg C (61 deg F).

Outlook for Sunday to Tuesday:
A cloudier few days. Mostly dry Sunday, some patchy rain later. More persistent rain for a time on Monday. Becoming dry on Tuesday with brighter conditions developing.
